

Personal, Spiritual, Experimental Knowledge

It is our dim, scanty, and imperfect knowledge of the Lord Jesus Christ in His eternal love—and in His grace and glory—which leaves us so often cold, lifeless, and dead in our affections towards Him. If there were more blessed revelations to our soul of the Person and work, grace and glory, beauty and blessedness of the Lord Jesus Christ—it is impossible but that we would more and more warmly and tenderly fall in love with Him—for He is the most glorious object that the eyes of faith can see! He fills heaven with the resplendent beams of His glorious majesty—and has ravished the hearts of thousands of His dear family upon earth by the manifestations of His bleeding, dying love. Just in proportion to our personal, spiritual, experimental knowledge of Him, will be our love to Him.
