

# Salvation Must Be By Grace Alone

The very expression "the grace of God" implies and denotes that the sinner's condition is desperate to the last degree, and that God may justly leave him to perish; yea, it is a wonder of wonders that he is not already in hell. Grace is a divine provision for those who are so depraved they cannot change their own nature, so averse from God they will not turn to Him, so blind they can neither see their malady nor the remedy, so dead spiritually that God must bring them out of their graves on to resurrection ground if ever they are to walk in newness of life.

Grace is the sinner's last and only hope; if he is not saved by grace, he will never be saved at all. Grace levels all distinctions, and regards the most zealous religionist on the same plane as the most profligate, the chaste virgin as the foul prostitute. Therefore God is perfectly free to save the chiefest of sinners and bestow His mercy on the vilest of the vile."
